COMPANY PROFILE

ENGINEERING EXCELLENCE • MANUFACTURING RELIABILITY • CONTINUOUS INNOVATION • SUSTAINABILITY

TURKEY • EGYPT • WORLDWIDE

PREMIUM APPAREL MANUFACTURER

ABOUT US

YILTEKS is a premium apparel manufacturer supporting fashion brands from product development to bulk production.

The company combines Turkish jersey production and technical engineering with a strategic production platform in Egypt, giving customers a responsive route for sampling, full-package manufacturing, quality control, and export programs.

PRODUCTION

KEY FIGURES

JERSEY

Core knitwear categories
T-shirts, polos, sweatshirts,
jogging suits and more.

DENIM

Denim expertise and innovation
from fabric development to
finished garments.

WOVEN

Shirts, pants, shorts, dresses
and woven collections with
focus on quality and detail.

TR + EG

Turkey jersey production plus
Egypt scale and full-package
manufacturing.

AI AQL

New AI driven quality control system
for inline and final inspection.

FPPM

Full-package production model
from development to delivery.

A practical platform for buyers seeking
product development, responsible execution,
and scalable production flow.

Sustainable practices
and ethical standards.

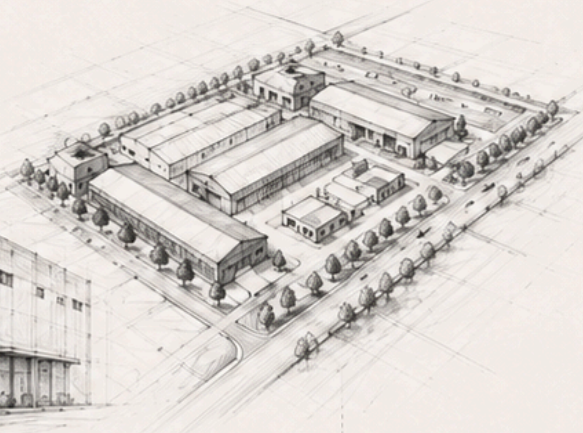

EXPERIENCED TEAM

Skilled professionals
with deep expertise.

TIMELINE

From our origins in Turkey to our industrial investment in Egypt, our journey is built on expertise, continuous development, and a clear vision for the future.

01 ORIGIN

Turkey-based textile and garment know-how.

02 DEVELOP

Sampling, fabric sourcing, and product interpretation.

03 SCALE

Full-package apparel manufacturing and export programs.

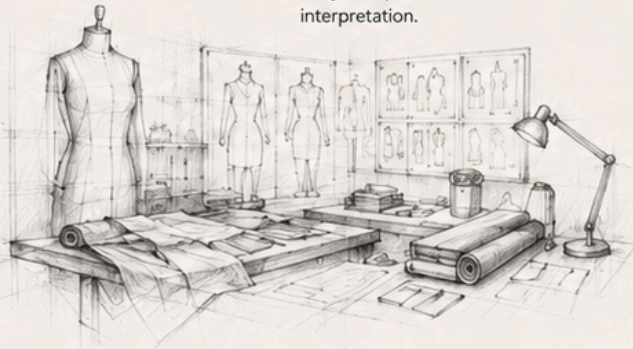

04 PORT SAID

Industrial investment for scalable export production.

05 NEXT

Ismailia campus planned after the current investment phase.

RESEARCH & DEVELOPMENT

INNOVATION. CREATIVITY. FUNCTIONALITY.

Our R&D team transforms ideas into competitive products through fabric innovation, trend research, and technical excellence.

FABRIC RESEARCH

EXPLORING. TESTING. INNOVATING.

- Fiber & yarn selection
- Innovative constructions
- Performance & sustainability
- Wash, dye & finish development

GRAPHIC & PATTERN PROPOSALS

TRENDS. COLORS. PRINTS.

- Trend forecasting
- Color & print direction
- Placement & surface design
- Repeat & pattern development

GARMENT DEVELOPMENT

FROM CONCEPT TO MOCK-UP.

- Technical sketching
- Fit & silhouette optimization
- Construction detailing
- Material & trim selection

SAMPLE & PROTOTYPE

TEST. EVALUATE. PERFECT.

- First sample development
- Fit & wear testing
- Wash & performance testing
- Approval & revisions

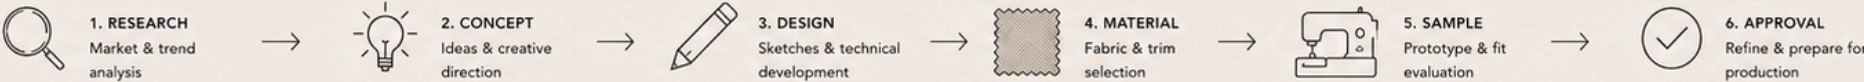

TECH PACK & PRODUCTION READY

CLEAR. PRECISE. COMPLETE.

- Detailed tech packs
- Graded measurements
- Bill of materials
- Production & costing

OUR R&D PROCESS

QUALITY
Every detail inspected.
Every time.

EXPERTISE
Experienced team with deep
technical knowledge.

INNOVATION
Continuous improvement
in fabrics and processes.

SUSTAINABILITY
Responsible sourcing and
eco-friendly practices.

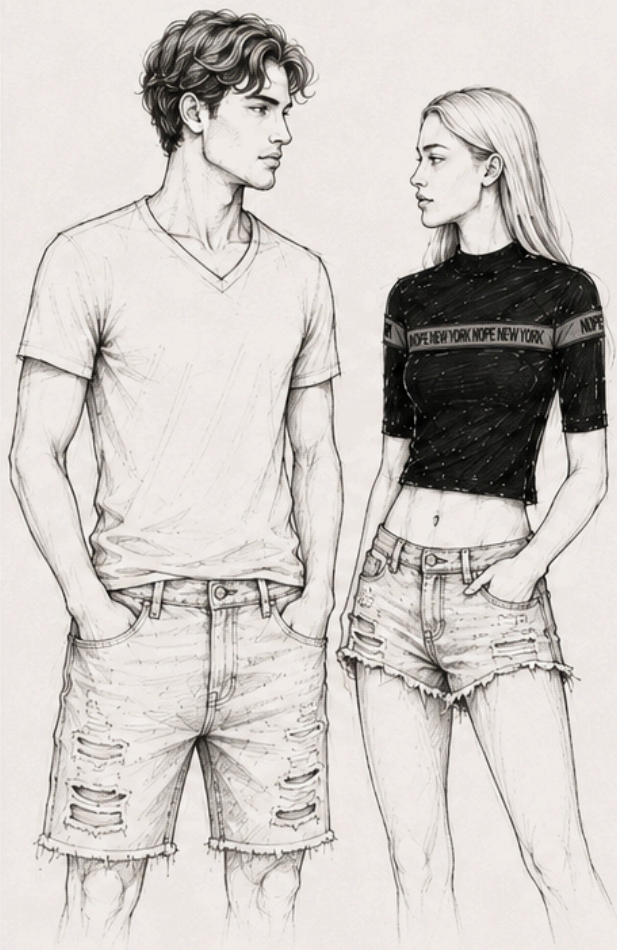

GLOBAL REACH
Developing for leading
brands worldwide.
